NPDES Permit No. TN0057461  
Shelby County

Dear Mr. Holabird:

The Division of Water Resources thanks you for your submittal of the required public notice by Collierville for modifications to the Sewer Use Ordinance (SUO) and Enforcement Response Plan (ERP). The submittal was received on October 20, 2016. The public notification completes all the required activities for these modifications; therefore final approval is granted. Collierville should proceed with the approval process by having the proper authorities adopt the SUO. Please provide this office with proof of adoption after the process is complete. If you have any questions, please do not hesitate to contact me at 615-253-5321 or [Yatasha.Moore@tn.gov](mailto:Yatasha.Moore@tn.gov).

Sincerely,

Yatasha Moore
